

Got a sense of adventure?

Orienteering is an exciting adventure activity for people of all ages and is growing in popularity.

During June local orienteering club SROC is organising its 4th series of events for schoolchildren in North Lancashire.

You can walk or run, no equipment is needed and advice and guidance is available.

Everyone entering 3 or more of the 5 events will receive a certificate and a voucher for free family entry to a forthcoming SROC event.

Please turn over for more information on how to take part in this great sport
